Do you take the REPUBLICAN? If you do, is there not a friend that you know who should be a regular reader? If so tell him about it, ask him to subscribe, help to double the circulation. In this way we will get the paper before all the people and the greater the circulation the paper can be improved in size and every way, all by a little exertion on the part of all the readers. Let every reader see if he cannot get at least one new subscriber. Try it. The post master will send in all the subscriptions you will hand him without a cent of cost to you for mailing. Hand him your dollar and he will see that you get the paper for one year.

He Can Cure You.

He has been here with us in Marshall for 15 months and we know he can do just what he says he can do.

Prof. DeVore Gives
Free Treatment on Monday
of each week and if you will come
in he will treat you.

He Also Teaches This Profession

to others and his school is going on all the time if you want to learn a Profession that will make you from Five to Ten dollars per day, see Prof. DeVore; if you can not come to see him, write him. He will cheerfully answer your letters and tell you if you can be cured.

For the benefit of the Public I will give a few words from some that have been treated by Prof. DeVore:

Mrs. Will P. Logsdon, of Blackburn; hear what she says:

I have suffered with both rheumatism and neuralgia. I tried many of the most prominent medical doctors of this city, without getting any relief and I was gradually growing worse. I went to see Prof. DeVore at Marshall and in one week he greatly relieved me and in the next two weeks he cured me.
